

Denit

Deze handleiding beschrijft de stappen die u dient te nemen om Typo3 te installeren.

Versie 1.0

Typo3 installeren

1)

Om Typo3 te kunnen installeren heeft u een MySQL database nodig. Als u deze nog niet heeft, kunt u deze aanmaken via de Plesk interface. Zie hiervoor het artikel: MySQL database aanmaken.

2)

U kunt Typo3 downloaden van de website van de makers ervan:

<http://www.typo3commerce.com/download> .

Dit bestand moet u vervolgens op uw computer uitpakken en met een FTP-programma uploaden naar de map /httpdocs/ (Plesk) of /public_html/ (DirectAdmin).

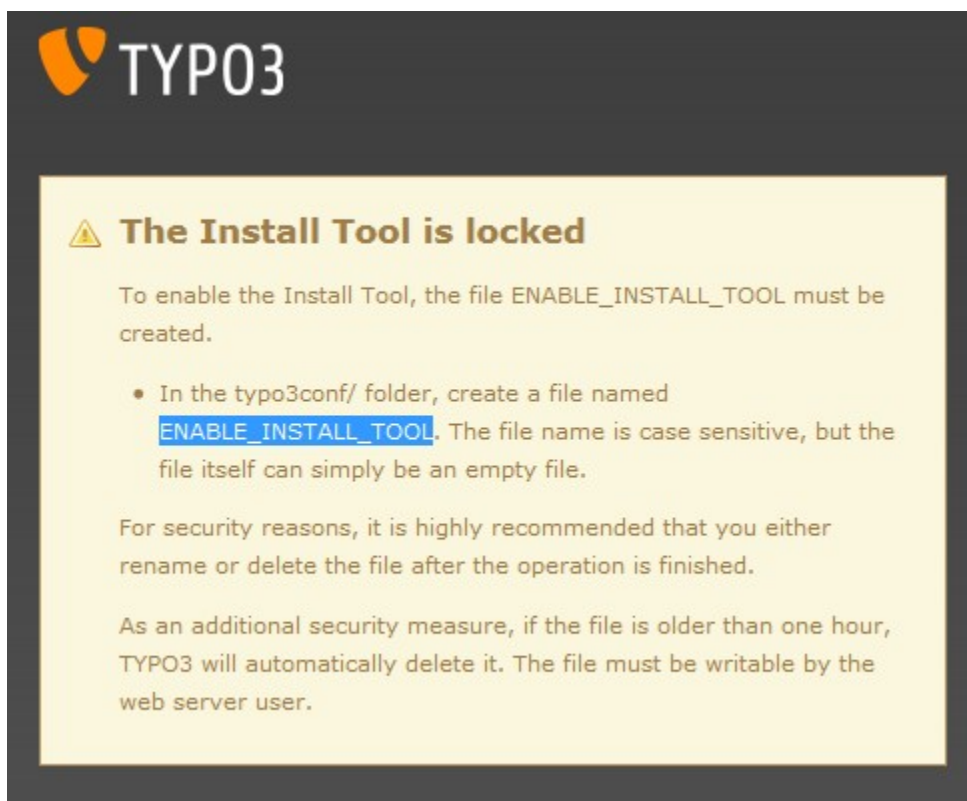

3)

Ga in uw browser naar uw website om de Typo3 installatie te starten.

Volg de onderstaande stappen om Typo3 succesvol op uw hosting account te installeren.

4)

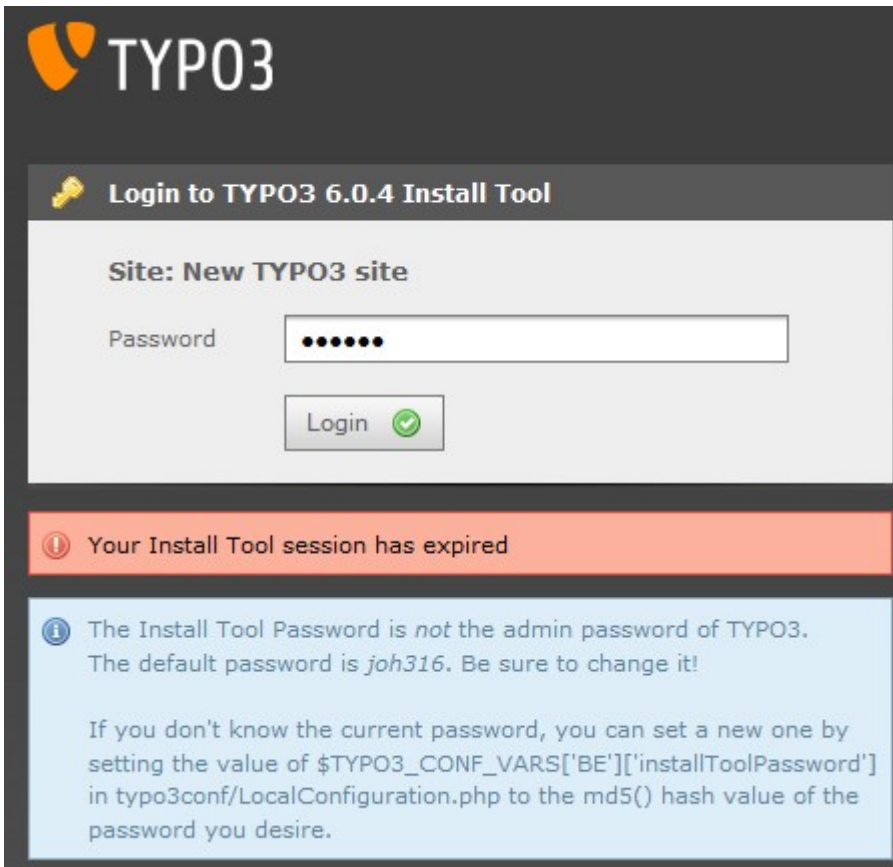

Volg daarna de onderstaande stappen om Typo3 op uw hosting account te installeren. Ga in uw browser naar uw website om de Typo3 installatie te starten.

Dit bestand kunt u aanmaken in Plesk. Hoe u dat kunt doen, kunt u bekijken bij onze Plesk video tutorials welke ook in onze knowledgebase staan.

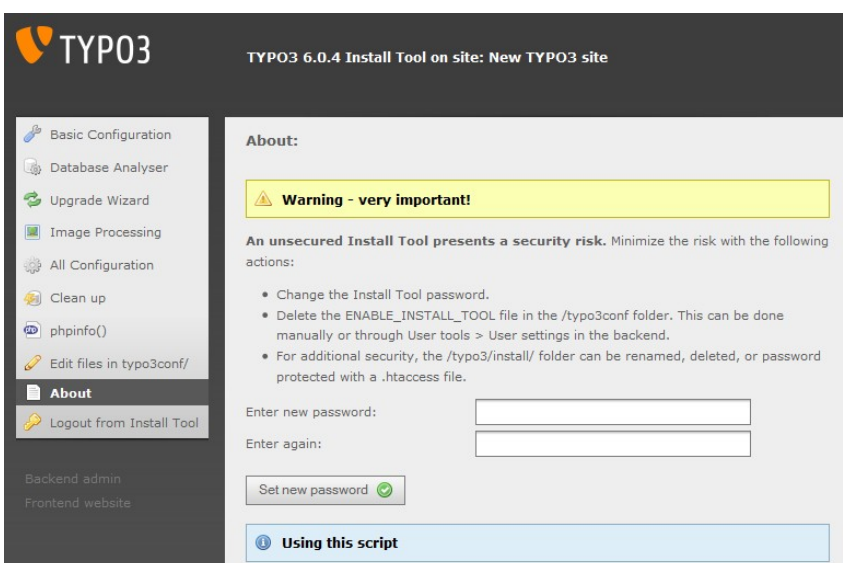

5)

In dit scherm geeft u de gebruikersnaam en het wachtwoord op van de database en database-user die u eerder heeft aangemaakt in Plesk voordat u met deze Typo3-installatie begon.

6)

Geef nu een nieuw wachtwoord op:

7)

Conifugratie wordt nu weggeschreven, klik hier op Click to conitnue...

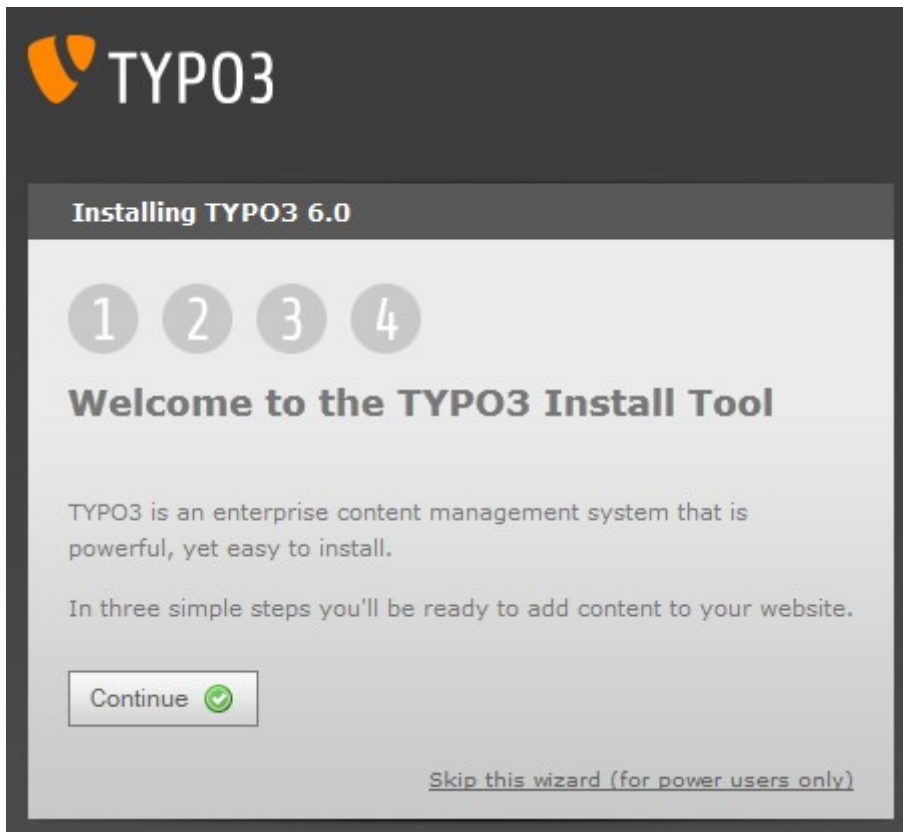

8)

Log nu in met het nieuwe wachtwoord

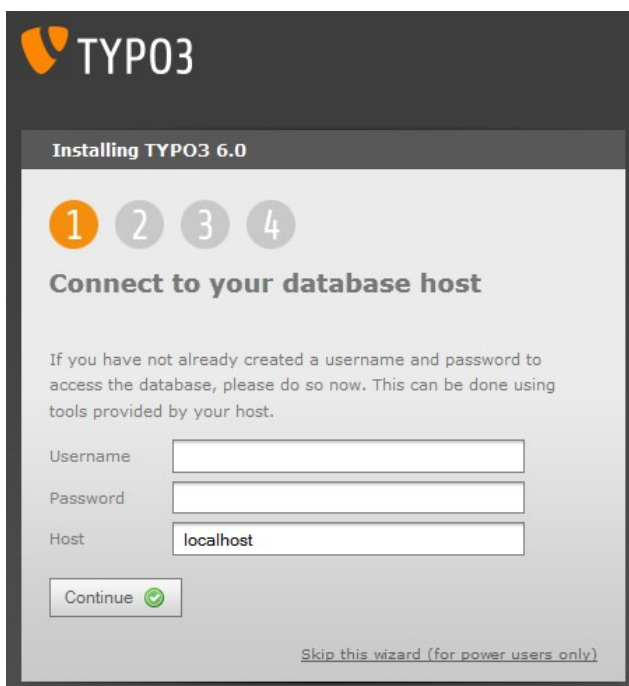

9)

Start nu de eigenlijke installatie

10)

Nu kunt u de databasenaam kiezen of evt. een nieuwe databasenaam opgeven.

11)

Kies nu de database onderin die u al heeft aangemaakt.

A screenshot of the TYPO3 6.0 installation wizard. The title bar says "Installing TYPO3 6.0". There are four numbered steps: 1, 2, 3, and 4. Step 2 is highlighted in orange. The main heading is "Select database". Below it, it says "You have two options:". The first option is "Create a new database (recommended):" with a radio button. It asks to "Enter a name for your TYPO3 database." and has an empty text input field. Below that, it says "The name has to match one of these names/patterns (% is a wild card):" and lists "jouweigenwebsite_nl_cmstest". The second option is "Select an EMPTY existing database:" with a radio button. It says "Any tables used by TYPO3 will be overwritten." and has a dropdown menu with "jouweigenwebsite_nl_cmstest" selected. At the bottom left is a "Continue" button with a green checkmark. At the bottom right is a link that says "Skip this wizard (for power users only)".

12)

Kies nu wat voor type installatie u wilt, een lege Typo3 installatie of een voor ingevulde installatie

A screenshot of the TYPO3 6.0 installation wizard. The title bar says "Installing TYPO3 6.0". Below it are four numbered steps in circles: 1, 2, 3 (highlighted in orange), and 4. The main heading is "Choose a package". Below this is the instruction: "Please select the package you want to install for your TYPO3 System." There are two radio button options: "Introduction package (recommended)" which includes a demo website and extensions, and "Blank System" which is a bare system with database and folder structure. At the bottom left is a "Continue" button with a green checkmark icon. At the bottom right is a link: "Skip this wizard (for power users only)".

13)

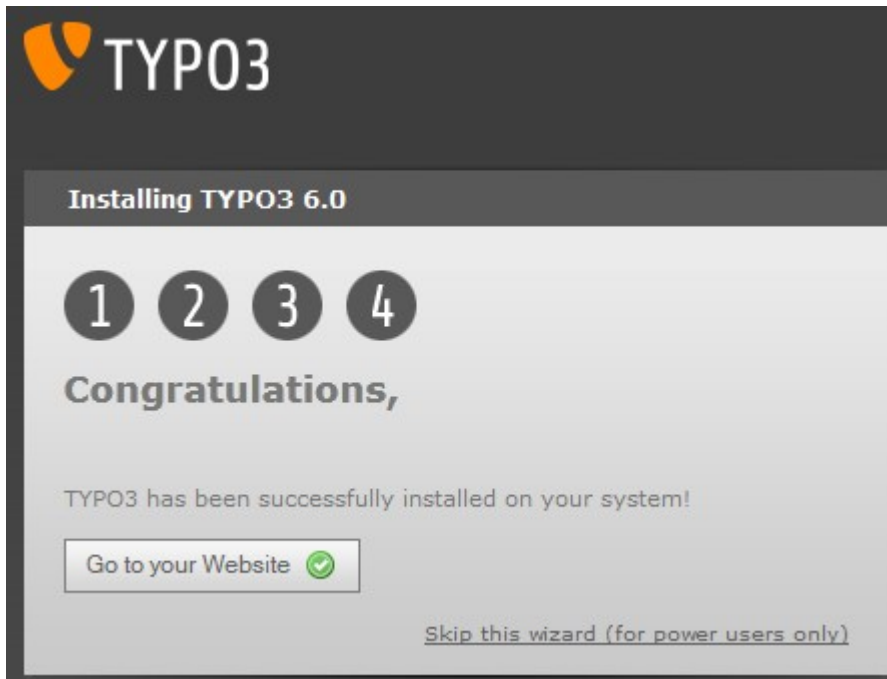

Na even gewacht te hebben totdat de database ingesteld is en de standaard inhoud wordt geplaatst ziet u dit en kunt u uw wachtwoord ingeven en ook een kleur voor uw website kiezen, daarna kunt u verdergaan.

The screenshot shows the TYPO3 6.0 installation wizard. At the top, it says "Installing TYPO3 6.0" and shows four numbered steps, with step 4 being the current one. The main heading is "Introduction package". Underneath, it says "Enter a password" and "Please choose a password for your TYPO3 installation. It should be at least 6 characters long." There is a password input field with a "Show password" checkbox. Below that, it says "Introduction package" and "Here you can choose a color for your demo webpage." There is a color selection tool with a rainbow gradient and a vertical color bar, showing the selected color "#F18F0B". To the right, there is a preview of the TYPO3 website. At the bottom, there is a "Continue" button with a green checkmark and a link that says "Skip this wizard (for power users only)".

14)

Hierna is Typo3 geïnstalleerd en kunt u met de standaard-logingegevens van Typo3 inloggen op <http://uwdomeinnaam.ext/typo3>

Dit zijn de gebruikersnaam admin en het wachtwoord password.

15)

Nu ziet u de default pagina en kunt u inloggen in Typo3

The screenshot shows the 'Introduction Package' page for TYPO3. At the top right, there is a 'Customer login' link. The main header is blue with the title 'Introduction Package' in white. Below the header is a navigation menu with links: 'Get Started', 'About TYPO3', 'Features', 'Customizing TYPO3', 'Resources', 'Examples', and 'Feedback'. A search bar is located on the left side of the navigation menu. The main content area has a light gray background. It starts with a blue banner that says 'Congratulations, you have successfully installed TYPO3' and 'So—what's next?'. Below this are three numbered steps: 1. 'Grab a cup of coffee and start browsing through this site to learn why TYPO3 is the most powerful open source content management system.' 2. 'Check out the sample pages in the "examples" section of this website or...' 3. A blue button that says 'Log into TYPO3' with a right arrow. Below the steps is a link that says '—Get involved!'. On the right side, there is a box titled 'How Do I Log in?' which contains instructions on how to log in using user names and passwords chosen during installation. It lists four demo users: admin, advanced_editor, simple_editor, and news_editor. It also mentions that the password chosen is the master password for the 'install tool'. At the bottom of the page, there are three columns of links: 'Powered by' (TYPO3 Enterprise Open Source CMS, Donate, TYPO3.org), 'Related Links' (TYPO3 Documentation, TYPO3 Books, TYPO3 Mailing Lists, TYPO3 Usergroups, TYPO3 Events, TYPO3 Wiki), and 'TYPO3 in social networks' (Twitter, Facebook, Slideshare, LinkedIn, Vimeo). There is also a license notice: 'The TYPO3 Introduction Package by the TYPO3 community is licensed: CC BY-NC-ND'.

Typo3 is nu helemaal klaar voor gebruik.

Wij wensen u veel plezier met Typo3.
